

LIST YOUR CAREER OPTIONS - WORKSHEET

Use the following list to note down your career option ideas. As you do some research, keep track of which ones you are still interested in.

Don't worry if you can't identify all the possible options you may be interested in right away. All you need are two or three ideas to get started. As you begin to check out different options, new ideas will come your way and you can add them to your list.

Career option idea	After doing some research, are you still interested in this option?	
	YES	NO
