The start of something new

Check online beginning March 13 for Camosun's spring/summer lineup of continuing education classes.

camosun.ca/ce

Navigate the ever-changing market

A longtime resident and UVic grad, Dave is helping local residents and new-comers to navigate their way through the real estate market. Whether buying or selling, he will assure smooth sailing. Just ask his many clients at UVic.

The Faculties of Fine Arts, Humanities, Social Sciences, Science and Law, the Social Sciences Faculty Equity and Diversity Committee, and the Division of Continuing Studies present:

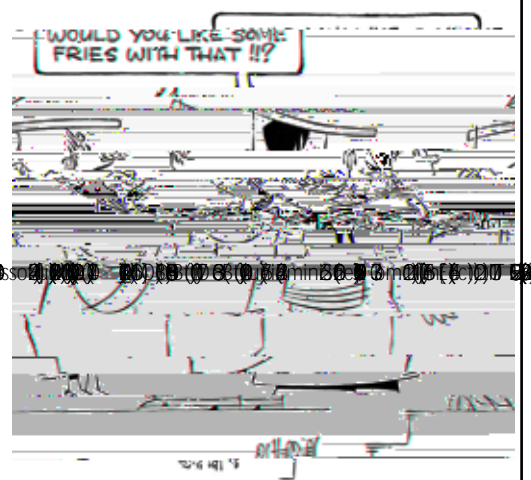

Corporatizing the University: Risks and Opportunities

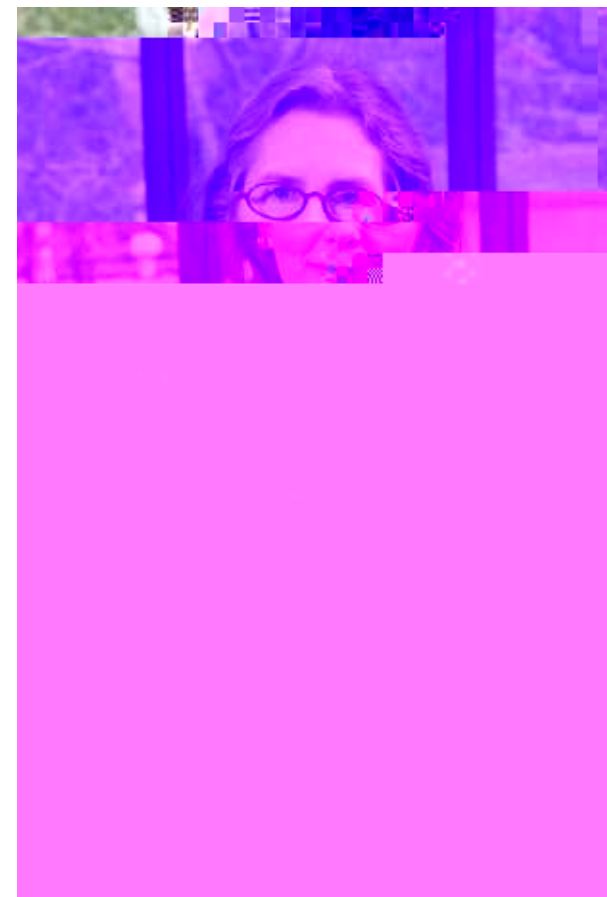

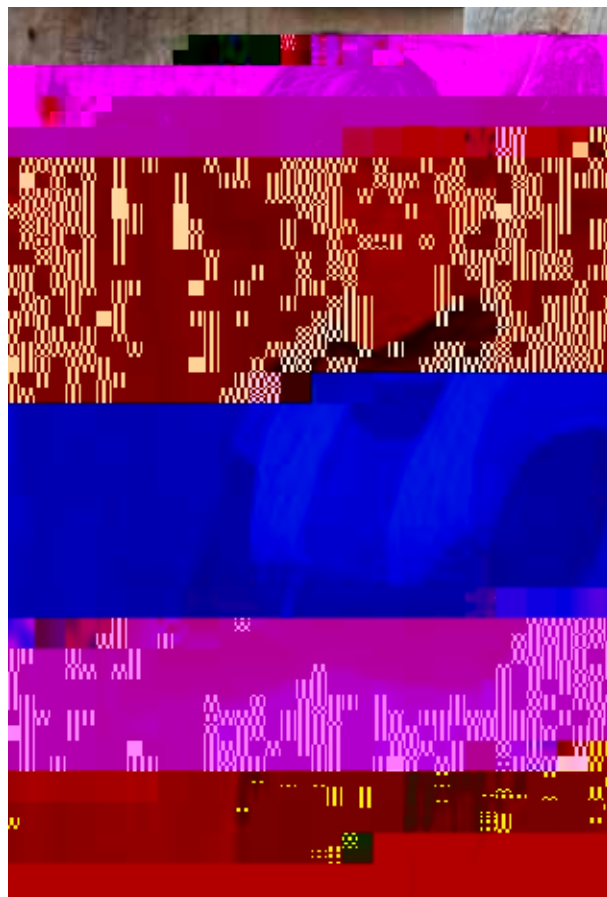

2010

1, 2010 7

Admission is free.
Call **250-472-4747** to confirm location.

PANELISTS: Budd Hall, PhD, Professor of Public Administration and Director of the Office of Community Engagement
