

NON-OWNED AUTOMOBILE INSURANCE POLICY SUMMARY

1. What is covered

This policy covers in excess of basic ICBC Autoplan coverage and covers claims for bodily injury or property damage arising out of the use of automobiles not owned by the university. This policy applies to other non-owned vehicles, which are being driven on university business.

2. Who is covered

Officers, directors, and employees of the university who are driving vehicles not owned by the university, and who are driving on university business and have authorization to do so.

3. What is not covered

- use of vehicles outside the United States and Canada
- vehicles other than passenger and light commercial vehicles
- damage resulting from operation of the vehicle by unlicensed drivers, unauthorized drivers
- personal vehicles of officers, employees and students of the university
