

Canadian University Graduate Transfer Agreement (CUGTA)

Terms of Reference

Purpose

Approval of Applicants

The intent of this Agreement is that such an arrangement would prove to be to the mutual advantage of the host and home institutions.

Whereas there may be imbalances apparent within specific programs in the short term, whether an institution serves as either home or host, at an institutional level a balanced reciprocity should, at least in principle, occur in the long run.

Students applying to take advantage of this Agreement would not be required to go through the normal application process associated with being accepted as a transfer student. The only documentation required to process such cases would be the single page request form. In other words, a student in good standing at any member institution would not require any additional documentation other than the completed application to access

Review of Agreement

This Agreement will be subject to review by CAGS two years after its implementation (namely at the 1998 AGM). At this time a decision will be made whether to continue it, as defined herein, refine it, or repeal it.

Non Interference with Related Agreements

The approval or non approval of the Agreement will not interfere with the prerogative of member institutions.
