# Experimental Learning and Co-op

#### Canadian Red Cross

The Canadian Red Cross is providing non-clinical technology and workflow support to provincial and local health Ui h(cf)hYg'Ug'6f]h]g('7c'i a V]UBj'a Ugg']a a i b]nUh]cb' plans accelerate.

The School of Health Information Science has 18 summer Co-op students working on the front lines as Emergency Care Workers for the Red Cross. Our students are supporting and reinforcing health and safety protocols with clients and working with registration data.

Health Information Science Co-op students are now available for Fall 2021 Co-ops (Sept-Dec). Our students are trained to assist with workflows, data analysis, databases, reporting, IT training, and more!

If you are interested in learning more about hiring please contact the Health Information Science Co-op office <u>hiscoop@uvic.ca</u>

#### Co-op Funding Opportunities

#### Co-op Funding Update: BioTalent

H\Y: YXYfU [cj Yfba YbhorGhi XYbhK cf\_D'UWa YbhDfc[fUa 'fGK DDŁdfcj]XYgi d hc) \$1 'cZh\Y'ghi XYbhork U[Ygfhc'U'a U] a i a 'cZ'') ž\$\$\$£cf'+\$1 'fhc'U'a U] a i a 'cZ' \$7,000) for students from underrepresented groups which includes female STEM students, first year students, indigenous students, student with a disability, visible minorities and newcomers to Canada.

SWPP has 12 funding partners who deliver the funding across Canada based on industry sector. Each funding partner has different application processes and there are some slight differences in criteria.

• Consider applying to **BioTalent Canada** 

Employers, uncertain if your job qualifies? Contact Colleen at 1-866-243-2472, ext. 218 or <u>askme@biotalent.ca</u>

- You have to apply for the funding before the student starts their job.
- Multiple grants are possible eg. Hire two students and receive two grants.
- Student eligibility: This Federal program is only available to students who are Canadian citizens, Permanent Residents or students who have refugee status. International students are not eligible for this funding.

Employers have told us that the application process takes 15-20 minutes to complete. Grants are allocated on a first-come, first-served basis so you are encouraged to apply as soon as possible. Should you not find a suitable student for

# Scholarships and Awards

#### Apply Now!

If you require financial aid, consider applying for the Health Information Science <u>undergraduate</u> and <u>graduate</u> awards and scholarships. Applications are due June 30th.
