UVic will host a **Gathering of Remembrance for Tsunami Victims** on Jan. 26, 11:40 a.m. to 12:20 p.m. in UVic's Interfaith Chapel. Everyone welcome.

In early February, UVic's Centre for Asia Pacific Initiatives and Camosun College present two public panel discussions on the impact of the tragedy and what is needed to help the region recover.

**The Effect of the Tsunami** takes place Feb. 1 at 7:30 p.m. in UVic's Human and Social Development Building, room A240.

**Reconstructing the Region** takes place Feb. 8 at 7:30 p.m. in room 100 of the Fisher Building at Camosun College.

UVic's Centre for Earth and Ocean Research (CEOR) is one of the sponsors of a public lecture titled **Earthquake and Tsunami Hazard on Canada's West Coast** on Feb. 17, 8 p.m. in the National Geographic IMAX Theatre. Speakers are Dr. Garry Rogers (Geological Survey of Canada) and Dr. Fred Stephenson (Fisheries and Oceans Canada). The lecture is appended to the 7 p.m. showing of the IMAX film, "Forces of
