Where alternative spellings of a word exist, authors must use the Canadian Oxford Dictionary's primary spelling (accessible online through University of Victoria Libraries).

Capitalize the following:

- Names of courts;
- Titles of legislation;
- Geographic place names;
- People's names, titles, and nicknames;
- Words of family relationship used as names;
- Nationalities, tribes, races, and languages;

Crucially, Justice Wilson noted:

It is of interest to note in this connection that La Forest J. completely agrees with Cory J. about the importance of freedom of expression in the abstract. He acknowledges that it is fundamental in a democratic society. He sees the issue in the case, however, as being whether an open court process should prevail over the litigant's right to privacy. /
