Re: Course Experience Survey – Phase III

Please be reminded that all academic units should be preparing to implement the new

Course Experience Survey for on-campus courses this fall. For those departments who are already participating, please continue to use your existing CES form. Those departments or faculties using the CES form for the first time and who would like to add discipline specific questions to the standardized form, please send them to Patricia Maedel by October 31st. In Section IV, up to five additional questions can be added.

Instructions for use of the survey can be found on the Learning and Teaching Centre's website at <http://www.ltc.uvic.ca/initiatives/CES.php>.
