- hand adds the correct /d/ in the left margin, and a signe-de-renvoi marks the insertion place.
- verso a45 A diagonal penstroke marking this line in the left margin appears to be intentional.
- verso b16 The subpuncted minum at the end of this line is filler.
- verso b26-27 A very faint (faded) bracket in the right margin marks these lines.
- verso b20, 39, and 46 The same small annotation mark present at verso a3 (two dots with a short horizontal line beneath) is present in the right margin at each of these lines.
