

International Exchange

Scholarship Information

Although this handbook provides basic answers for common exchange questions, it only means to be a general guideline. We encourage all students to contact the International Exchange Officer in Student Awards & Financial Aid. In calculating GPA, we will take the exchange.

Are there exceptions to these rules?

There are always exceptions to the general rules. We encourage all students to contact the International Exchange Officer in Student Awards & Financial Aid.

Please visit the information page at any time.
