

2024/2025 WORK STUDY PROGRAM

JOB POSTING

JOB TITLE: PSYC - Research Assistant

DEPARTMENT NAME: Department of Psychology

CONTACT NAME: Dr. Jessica Rourke

JOB DESCRIPTION:

The main focus of this work will involve analyzing data on a project(s) assessing psychology student learning strategies and levels of motivation, trying to identify areas that may be interfering with student success, and tactics that might assist with their success. This research relates to scholarship of teaching and learning, social psychology, and cognitive psychology.

Tasks for the research assistant may involve (training will be provided, if needed):

- Attending regular meetings with the research team
- Coding qualitative responses
- Creating graphical representations of the data/results
- Conducting literature reviews
- Creating surveys on Survey Monkey or a similar system
- Researching campus resources/supports for students
- Supporting in the creation of research documents (e.g., surveys, ethics, etc.)

QUALIFICATIONS:

Required Qualifications

- Current undergraduate student at UVic
- Ability to work well in a team
- Data-analysis knowledge (good standing in Psyc 300A)
- Ability to meet deadlines
- Ability to work independently
- Ideally, some experience with coding qualitative data, or a strong willingness to learn

Prior research experience is not required
