

**Post-Doctoral Research Position
Wave Energy Converter Modeling and Control**

**University of Victoria, West Coast Wave Initiative
Institute for Integrated Energy Systems
Starting Date: Feb 1, 2016**

We are seeking a Post-Doctoral Fellow to assist in the development of high fidelity wave energy converter (WEC) models; specifically, multi-body numerical simulations, mooring analyses and WEC control strategies. The successful candidate will have obtained a PhD in a field related to wave energy
