

Benefits Committee Report

The Benefits Committee was engaged in pursuing two key issues for the 2010/2011 year. The first was our on going effort to obtain a discounted bus pass for retirees of the University of Victoria who also qualify for the standard seniors bus pass.

After being close to a deal in 2009-2010 we were hopeful an agreement could be reached with B.C. Transit and the University. Unfortunately we have unable to persuade the University to engage in what we believe could a cutting edge program that would benefit seniors in a host of ways and address a serious societal issue. The reluctance of the
