Nomination Procedures

Nominations may be submitted by faculty, staff, or students in the Faculty of Science.

A cover letter by the nominator of not more than two pages must outline why the nominee merits the Award.

The nominator must have the nominee's written consent to put his or her name forward for the Award.

A letter from the Chair/Director of the nominating unit, or Dean in the case of Stores Staff, summarizing the support to the department/school.

Up to 5 letters of support from members of the unit.

Up to 3 pages of additional supporting documents.

Selection Committee

The selection committee for the Award will be the Staff Advisory Committee of the Faculty of Science chaired by the Dean. The Dean will vote only in the case of a tie. This committee normally will be composed of the Administrative Officer (AO) from each of the six units in the Faculty, plus a staff member from the Office of the Dean. If a staff representative is a nominee then that unit must find an alternate. The competition will run if at least one nomination is submitted. The selection committee may decide, after reviewing all of the nominations, that no candidate merits the Award in a given year.

Deadline for Nominations

May 31 of each year.

Award Presentation

The Award for Staff Excellence will be presented at an award ceremony early in the Fall academic term.
