

## **BIOC 409 (PROTEOMICS)**

**- Using proteomic methodologies to study ion channel signalling networks and dynamic biological systems.**

## **GRADING SCHEME**

### **Assessment of Student Performance**

Marking of short answer, true-false and multiple choice exam questions on material presented in the course and assignment of a numerical mark to each question.

### **Evaluation of the Exams and Weighting**

exam. The Department of Biochemistry and Microbiology considers it a breach of academic integrity for a student taking a deferred examination to discuss the exam with classmates. Similarly, students who reveal the contents of an examination to students taking a deferred examination are considered to be in violation of the University of Victoria policy on academic integrity (see current University Calendar). Deferral of a final exam must be requested with an Academic Concession form and submitted directly to Undergraduate Records. Deferred final exams for fall term courses will be arranged by the instructor. Deferred final exams for spring term courses will be arranged through Undergraduate Records and must be written before the end of the summer term as stipulated in the University Calendar.

5. Scan sheets for multiple choice exams (bubble sheets) will not be made available for review. Therefore, in addition to filling in answers on the scan sheet, students should also circle their answers in ink on their exam.
6. Professors may refuse to review/remark exams not written in ink.
