** N grades

Students who have completed the following elements: examinations, and all in-class laboratories will be assigned a final grade. Failure to complete one or both of these elements will result in a grade of “N” regardless of the cumulative percentage on other elements of the course. An N is a failing grade, and it factors into a student’s GPA as 0. The maximum percentage that can accompany an N on a student’s transcript is 49.

Attendance

To get the most out of the BCMB301 experience, your attendance and punctuality for each lab is important. If you know that you will miss a lab (e.g. for a medical appointment), please arrange a change of lab section with the lab instructor **prior** to the lab period. Missing a lab or arriving late without prior arrangement or a written medical excuse may result in a loss of marks associated with the lab.

Students who miss a lab are responsible for maintaining their lab journal and for obtaining the data in order to write up the lab report. This may involve the student performing the lab once they have recovered.
