J A

A

**\*\* N grades**

Students who have completed the following elements will be considered to have completed the course and will be assigned a final grade:

**\*\* the final exam must be completed in order to complete the course \*\***

**\*\* students must pass both the lab and lecture portion to complete the course \*\***

Failure to complete one or more of these elements will result in a grade of “N” regardless of the cumulative percentage on other elements of the course. An N is a failing grade, and it factors into a student’s GPA as 0. The maximum percentage that can accompany an N on a student’s transcript is 49

**Important dates and evaluation:**

| Date   | EVALUATION                  | Notes  |
|--|-----------------------------|--|
| <b>Note: the laboratory component of this course is worth 40% of the overall grade</b> |                             |  |
| week of Friday, January 20   | Participation Quiz 1, 0.25% | <b>open from Monday to Friday via Brightspace, must be completed by 4pm on Friday.</b> Must get at least one question correct to receive participation grade |
| week of Friday, January 27   | Participation Quiz 2, 0.25% | <b>open from Monday to Friday via Brightspace, must be completed by 4pm on Friday.</b> Must get at least one question correct to receive participation grade |
