

# BIOLOGY 400 H B

## Online Edition, Summer 2021 Department of Biology, University of Victoria

### Course Description

The historical development of the major techniques and ideas of biology, including the significance of the important contributors to biology. The treatment will be part chronological, part topical.

### Instructor

Dr. Robert St. Clair

Email: robertstclair@uvic.ca. If you send an email, please put "Biology 400" in the message line. I will also have Zoom office hours and I will be available for Zoom appointments outside my office hours.

### Prerequisite

Third year standing.

### Readings

I will post pdfs of selected readings on the Brightspace site when they become relevant as we progress through the course.

### Evaluation and Grading Policy

Online Midterm (TBA)	40%
Online Final Exam (June final exam period)	60% (cumulative)

The midterms and the final exam will be accessible through the Quiz tool on Brightspace. You can find Quizzes under the Course Tools tab.

4. Online office hours – These will take the form of Zoom sessions (Fridays 12:30-1:20). If you have something pressing or something personal or confidential to discuss, you can email me directly with your questions or schedule a personal Zoom appointment. My email is robertstclair@uvic.ca.
5. Online Exams – see the information about the online exams, above.
