Academic Integrity:
As teachers, mentors, scientists, researchers, and members of the University of Victoria community, academic integrity is of the highest importance to us. Students are required to abide by all academic regulations set out in the University calendar, including standards of academic integrity. Violations of academic integrity (e.g. cheating and plagiarism) are considered serious and may result in significant penalties.
Please read the following·

Note that use of AI software, such as ChatGPT, is not permitted in this course, including for the paper critique or participation exercises. We reserve the right to use plagiarism detection software or other platforms to assess the integrity of student work.

Before handing in coursework for evaluation, students will be required
