

In the Sexualized Violence Prevention and Response Policy (SV0245- the "Policy"), you have the following rights as a Respondent when you participate in an investigation process under the procedures for Sexualized Violence Investigations (the "Procedures")

- x if the Respondent is a Student, to seek independent consultation with the University Ombudsperson;
- x to be presumed to have not violated this policy until a final determination is made;
- x to have the process explained to you in an accessible manner and consequences;
- x to have your
