Location: Cornett Building Bio7

COURSE DESCRIPTION

This course explores hazardous events and the factors and conditions that lead to disasters. Events such as earthquakes, hurricanes, tsunamis, floods and droughts, among others are examined. Emphasis will be placed on understanding vulnerability and risk assessment, sustainable hazards mitigation and disaster management approaches to enhancing community resilience.

TOPICS TO BE STUDIED:

- Overview of Disaster Management
- Understanding Hazards and Disasters
- Risk and Vulnerability
- Mitigation, Preparedness and Response
- Recovery

REQUIRED TEXTBOOK

Coppola, D. P. (2011). Introduction to International Disaster Management (2th ed), Burlington, MA: Elsevier (available at the University Bookstore)

A list of supplemental reading and texts will be posted on the course page.

COMMUNICATION:

CourseSpaces learning management systems (LMS) will serve as the main avenue of communication in this course. Please monitor the page on a regular basis for course announcements, readings assignments and lecture handouts.

*DATES AND TOPICS MAY CHANGE

STUDENT RESPONSIBILITIES:

A high level of student cooperation and participation, involving asking and answering questions during the lectures.

Cell phones and portable music players must be turned off or silenced during lectures.

Students are also required to remove earphones.

Students are required to attend all lectures and take notes.

Students are expected to be punctual for classes. Not all material presented in the lectures is covered in the text.

The individual student is required to read the assigned chapters of the textbook *prior to class*. Not all the textbook will be covered in the lectures but may be covered in the test or exam.

CLASS CLIMATE

The University of Victoria has made a conscientious effort to increase diversity in the student, staff and faculty member populations. To ensure that all class members feel welcomed and equally able to contribute to class discussions, we will all endeavour to be respectful in our language, our examples, and the manner in which we conduct our discussions and group work.

If you have any concerns about the climate of the class, please contact me.

ACADEMIC INTEGRITY

Academic dishonesty (plagiarism, cheating) is a very serious matter in any academic institution and is dealt with severely at the University of Victoria.

Infractions will be dealt with in accordance with university policy. Commonly, the penalty for any form of cheating is a grade of F on the tests or final exam, or a final grade of F in the course. Please familiarize yourself with the University policy on academic dishonesty found in the Undergraduate Calendar at the following website:

<http://web.uvic.ca/calendar2011/FACS/UnIn/UARe/PoAcI.html>

If you have any questions, please contact me.

STUDENTS WITH A DISABILITY

If you have any type of disability, there are support systems, resources, and accommodation actions available to you. If you wish to access any of these supports, resources or accommodations, I encourage you to contact the Resource Centre for Students with a Disability (<http://www.stas.uvic.ca/osd/home.ihtml>) and I would be more than happy to work with you to ensure your success in this course. Please Note: You are under no obligation to disclose your disability.

COURSE EXPERIENCE SURVEY

I value your feedback on this course. Towards the end of term, as in other courses at UVic, you will have the opportunity to complete an anonymous survey regarding your learning experience (CES). The survey is vital to providing feedback to me regarding the course and my teaching, as well as to the department improve the overall program for students in the future. The survey is accessed via MyPage and can be done on your laptop, table, or mobile device. I will remind you and provide you with more detailed information nearer the time but please be thinking about this important activity during the course.
