

*W08n*Instructor: Dr. Maycira Costa  
**Office hours:** 0()Tj –

- Lab report 2: 15%
- Lab report 3: 20%

The grade breakdown follows the university convention:

F	D	C	C+	B-	B	B+	A-	A	A+
< 50%	50-59%	60-64%	65-69%	70-72%	73-76%	77-79%	80-84%	85-89%	90-100%

### Late Assignment

Laboratory assignments are due in the scheduled days at the beginning of the lab. We do not encourage completion of last week’s assignments during a new lab period and a penalty for assignments handed in late during the next lab period is 10%. For every day after that, you will lose 25% per day. **All assignments must be submitted in order to be allowed to sit the final examination. Failure to submit an assignment will result in the grade of incomplete.** Exceptions will only be granted for medical reasons (requiring a written report from a medical practitioner stating your inability to attend class) or extreme personal crises. Exceptions can only be granted by the course instructor.

The Geomatics Teaching Laboratory (Social Sciences & Math A251/A253) is open daily from 8:30 am to 4:30 pm. Access to the Laboratory is restricted after 4:30 pm for Security purposes. You are encouraged to purchase an entry fob, which will enable you to gain access to that facility after hours. The cost of a card is \$10.00 and you can keep it in case you take another course that uses the lab facilities. You will need to have a portable memory stick or flash drive (minimum of 8GB) for the lab portion of this course.

### Course Experience Survey (CES)

I value your feedback on this course. Towards the end of term, as in all other courses at UVic, you will have the opportunity to complete an anonymous survey regarding your learning experience (CES). The survey is vital to providing feedback to me regarding the course and my teaching, as well as to help the department improve the overall program for students in the future. The survey is accessed via MyPage and can be done on your laptop, tablet, or mobile device. I will remind you and provide you with more detailed information nearer the time but please be thinking about this important activity during the course.
