REQUIRED COURSE READINGS:

Fouberg, Erin, H. *et al*, 2015. ***Human Geography: People, Place and Culture: Second Canadian Edition.*** Mississauga, ON: John Wiley & Sons Canada, Ltd. This text is available at the bookstore. There should be three options: e-text, shrink wrapped for binder, and hardback. E-text is cheapest.

Important note: It is fine for you to use the first edition of the same textbook (2012) if you have access to one and it saves you money. I will refer to both sets of pages in my session outlines in order to accommodate those using either version.

Globe and Mail (or other major national newspaper). The G&M does have discounts for students, you can get it online and you only need to do so once per week to have enough material for the activities in the course. Monthly should be around \$10 a month subscription for three months of the course at the student rate (Saturdays only). You are welcome to share with friends (just pick different parts to use).

Other brief readings or resources will be provided as needed to support key concepts or ideas of interest.

Course Experience Survey (CES)

I value your feedback on this course. At the end of term, as in all other courses at UVic, you will have the opportunity to complete an anonymous survey regarding your learning experience in this course (CES). The survey is vital to providing feedback to me regarding the course and my teaching, as well as to help the Department of Geography improve the overall program for students in the future. The survey is
