Lectures: M & Th 1:00-1:50PM
Location: Cle C113
Office Hours: M & Th 2:00 to 2:50 PM

The course will provide an introduction to the theoretical and methodological foundations of research in human geography. A range of paradigms (e.g. ethnography, action research, narrative analysis) and data collection techniques (e.g. questionnaires, participant observation, focus groups, in-depth interviews) will be examined and applied to issues in human geography.

<

In groups of two the students will conduct a small research project and write a report (max. 2000 words) on the specific research topic, under the overall thematic umbrella. DUE DATE: 30th November 2017.

Short presentation.

Attendance and active engagement in class

Three assignments to be explained by the Lab instructor.

1st Assignment Research tool presentation (LAB 2)

2nd Assignment: Oral presentation of research proposals (LAB 5)

3rd Assignment: Peer review of research reports (LAB 11)
