## **COURSE DESCRIPTION**

Urban Mobility: Cities and Transportation (Geog 491) provides a unique applied learning experience for students to explore and creatively engage with a range of urban transportation issues in Canada and in the Victoria area specifically. Public transit, active transportation, road safety, bicycle planning and design and related urban mobility innovations will be addressed in the planning, policy and geographic of Victoria & the Capital Region, with comparative looks at cities around the world. The course will feature several guest presentations from local area city planners, professionals and community leaders. Special presentations and discussion
