POLICY ON ATTENDANCE

Classroom (or Zoom alternative) attendance for this class is required. I will make significant efforts to solicit engagement and facilitate rich discussion. I will post only skeleton notes from my PowerPoint lectures online, so being present and engaged during class time will be important. I will not post recordings of the classes online. #### SEXUALIZED VIOLENCE PREVENTION AND RESPONSE AT LIVIC

UVic takes sexualized violence seriously, and has raised the bar for what is considered acceptable behaviour. We encourage students to learn more about how the university defines sexualized violence and its overall approach by visiting <a href="uvic.ca/svp">uvic.ca/svp</a>. If you or someone you know has been impacted by sexualized violence and needs information, advice, and/or support please contact the sexualized violence resource office in Equity and Human Rights (EQHR). Whether or not you have been directly impacted, if you want to take part in the important prevention work taking place on campus, you can also reach out:

#### COURSE EXPERIENCE SURVEY (CES)

I value your feedback on this course. Towards the end of term, as in all other courses at UVic, you will have the opportunity to complete an anonymous survey regarding your learning experience (CES). The survey is vital to providing feedback to me regarding the course and my teaching, as well as to help the department improve the overall program for students in the future. The survey is accessed via MyPage and can be done on your laptop, tablet, or mobile device. I will remind you and provide you with more detailed information nearer the time but please be thinking about this important activity during the course.

### WEEKLY CALENDAR

Given that lecture schedules will be adjusted according to how we progress through material, the availability of Guest Speakers, and other opportunities, we do not use a weekly calendar.
