---

**Drop-In Office Hours: Tuesdays and Wednesdays, 10:30 AM-12:00 PM, in-person and virtually**

**Office Location: David Turpin Building B306 and Zoom**

## BRIGHTSPACE

We will have a Brightspace page for the course, where you can find a schedule and download the readings for each week. My goal is to have each week's 'module' uploaded and ready for download/reading by Thursday of the preceding week—meaning, for Week 2, you can expect to have materials ready to go by the Thursday of Week 1, etc.

---

## POLICY ON LATE ASSIGNMENTS

Late lab assignments submitted without excuse are subject to a 10% penalty per day late. So, for example, if an assignment is due on Wednesday, if a student turns it in the following Wednesday, it will be subject to a 70% points penalty. Late midterms and finals submitted without excuse are subject to a 20% penalty per day late.

## POLICY ON ATTENDANCE

Attendance in lectures is very vital. You will do best in the course if you are attending class meetings and engaging with the material. While I will post recordings and slides after class, you will not get as fully immersed in the course as you would if you attend in-person/virtually. I do take attendance in lectures, but this is not graded—but if you are not attending class, I will likely reach out to see what is going on.

Lab attendance is mandatory and is graded (see Evaluation section).

## MASK POLICY

Per B.C. provincial public health policy and UVic policy, you are **no longer required to wear a mask in class, however you are highly encouraged to do so. Please be respectful of your classmates if they choose to continue to wear a mask.** The policy on masks in this class will always reflect current provincial and University policy.

## ACADEMIC INTEGRITY

It is every student's responsibility to be aware of the university's policies on academic integrity, including policies on **cheating, plagiarism, unauthorized use of an editor, multiple submission, and aiding others to cheat.**
