
COURSE OUTLINE

Field Studies in Indigenous Conservation

June: Class meetings in person or via zoom (a link will be sent out via email and posted on BrightSpace) Mondays from 6-7pm.

July: Class is in the field at Oneida Nation of the Thames Long House

Instructor Information: Dr. Jennifer Mateer, jmateer@uvic.ca

Teaching Assistant: Wil Sahar Patrick, wpatrick@uvic.ca

COURSE DESCRIPTION

The course is an immersive and experiential field school based in culturally grounded conservation management with the Oneida Nation of the Thames. Our fieldwork is in Southwestern Ontario where students will learn practical mapping skills while weaving together Indigenous and Western ontologies regarding sustainability, biodiversity, and food security. The course is designed to be highly experiential and
