Many people around the world are still experiencing the impact of the COVID-19 pandemic; therefore, it is important to examine this discourse surrounding global migration. During the pandemic, governments placed a halt and/or restricted human migration into their state borders as a means to combat the spread of COVID-19. More recently, we are beginning to see states easing up border restrictions. Needless to say, COVID-19 created an unprecedented time with heightened restrictions with regards to human movement across borders. Therefore, we will also explore the impact of COVID-19 on global migration by engaging with contemporary scholarship related to the pandemic and human movement.

### III. Discussion Forum (15%)

You will notice that there are 5 discussion forum postings on Brightspace in which you are required to post your comments on an assigned reading. Please go to the Discussion Forum folder on Brightspace for Week 2, Week 3, Week 4, Week 5, and Week 8 to post your comments on a specific reading assigned for these weeks. Please **DO NOT CLICK START A NEW THREAD**. Instead, click on the blue text link with the titled reading for that week and then **CLICK ON REPLY TO THREAD** to post your responses. Please post your commentary by no later than midnight on the Thursday of those weeks. Your post should consist of 1-2 paragraphs (200 words max) to discuss the reading for those weeks. Note: Please do not simply summarize the reading. Instead, tell me what you think about the reading.

### IV. Final Exam (30%)

The final **exam will be multiple choice questions taken on Brightspace**, and it will cover material from the lectures, all assigned readings, and videos/films assigned in the weekly folders. The final exam is a cumulative exam at the end of the semester. For the final exam (**final exam date and time to be announced once final exam schedule is made available by the University**), you will be responsible for all material covered in the course from the beginning of the semester to the end. Students are expected to sign on to the Brightspace site to take the final exam. The format is similar to the midterm exam but will include more questions. The final exam will be 120 minutes (2 hours) in length.
