Spring Session 2024**

Accessible Learning

The University of Victoria is committed to creating a learning experience that is as accessible as possible. If you are registered with the [Centre for Accessible Learning](#) and anticipate or experience any barriers to learning in this course, please feel welcome to discuss your concerns with me. If you are a student with a disability or chronic health condition, you can meet with a CAL advisor to discuss access and accommodations.

Attendance and Absences

Attendance is important. Students are expected to attend all classes in which they are enrolled. Students may be assigned a final grade of No credit based from writing final examinations if they fail to satisfy a minimum attendance requirement set by the instructor for lectures, laboratories, online course discussions or learning activities, tutorials, or other learning activities set out in the course outline.

redistribution of materials to others requires the written permission of the instructor, except under fair dealing or another

Program Requirements

For more information see the [Uvic Calendar](#):

Registration Status

Students are responsible for verifying their registration status. Registration status may be verified using My Page, View Schedule. Course adds and drops will not be processed after the [deadlines](#) set out in the current Uvic Calendar:

Students who do not attend classes must not assume that they have been dropped from a course by an academic unit or an instructor. Courses that are not formally dropped will be given a failing grade, students may be required to withdraw and will be required to pay the tuition fee for the course.

Request for Academic Concessions

Students can apply for [academic concessions](#) if their course requirements are affected by (i) unexpected and/or unavoidable circumstances (e.g. illness, family affliction, etc), or (ii) conflicting responsibilities (e.g. service in the armed forces or first responder; representing the university).

· **Request an in course extension**

If you require more time to complete a course requirement or miss a test or mid exam, then you will need to complete the "[In Course Extension Form](#)" and submit it directly to your course instructor. All course requirements
