

UNIVERSITY OF VICTORIA
CAMPUS PLANNING COMMITTEE MEETING

April 30, 2024
1:00 – 2:30pm

sustainable modes of transportation, disincentivizing private vehicle travel through parking supply and programming, and considering long-term campus plans that will impact transportation demand.

Next steps include reviewing TDM incentives and disincentives. Over the next year, Campus Planning & Sustainability will work in collaboration with Commuter Services to conduct a comprehensive review of transportation conditions and best practices to inform recommendations for incentives (pull policies) and disincentives (push policies) to further our goals.

The floor was open to questions and discussion, (TJ)0.00 2h2 .446 OCTC 2h2 ..446 OCTC (TJ)0.00

Next steps include planning for additional on-campus student housing (500 beds) to assist in increasing supply of rental housing (x)-5.8 (t)tc1-0.8 8 (14.9 52315 Tdēa)-3.2Tc 0.006l h ocrd bn (e)-6 (p)-0.7 vnaI (o)-9.(s)-4.3 'td5 (
